

Reiner Lemoine Institut | Organization

Managing Director

Dr. Kathrin Goldammer

- Communications

Transformation of
Energy Systems

Editha Kötter & Mascha Richter

- Energy system analysis and sector coupling
- Electrical grids
- Open Science and data management
- Participation and dissemination

Mobility with
Renewable Energy

Oliver Arnhold

System Analysis	Municipal Mobility
N.N.	Norman Pieniak

- Battery electric mobility
- Hydrogen mobility
- Micro Grids
- Elektrolysis and Power-to-Gas
- Operations

Off-Grid Systems

Dr. Philipp Blechinger

- Simulation of hybrid Mini Grids
- GIS-Analysis
- Rural electrification planning
- Market potential studies
- Socioeconomic field research

Administration

Dr. Christine Kühnel

- Finance
- Human Resources
- Project management
- Office
- IT
